RE: **After-Hours Rapid HIV testing Tuesday, December 15, 2015**

DATE: Tuesday, December 15, 2015

After-hours rapid HIV testing for women in labour will not be available through Transfusion Medicine for at least one more day.

For overnight Tuesday, Dec. 15 11:00 pm–Wednesday Dec. 16 8:00 am, we have arranged for a **Virology Technologist to be on call via St. Joseph's Healthcare switchboard for a call back**. The Virology Technologist will perform the HIV test on the Abbott Architect.
